Why the bear has a short tail pdf full story free

A long, long time ago the bear used to have a long tail. It was such a ludicrous sight that the fox burst out laughing. Finally, he composed himself and went up to the bear. MORE FROM QUESTIONSANSWERED.NET When you visit this site, it may store or retrieve information on your browser, mostly in the form of cookies. The fox ran away, laughing heartily. However, he wanted the fish so badly that he quickly forgot the cold. Ah, therein hangs a tail-er, sorry, tale! The bear was very proud of his beautiful tail. "Don't move!" ordered the fox, and he sat still. He took great care of it and spent hours brushing it out and keeping it glossy and tangle-free. "Here's how you do it," said the fox. "Oh, no! My lovely long tail!" Wailed the poor bear. So he waited and waited until it started to get really cold and dark then the bear said: " I think that should be good I better go home before it gets too cold". " Oh, that trickster fox! I should have never trusted him"screamed the bear. and all the other animals have long tails? He saw that the bear was still exactly as he had left him. As it turned out, among the animals who admired his tail was one who had resolved to teach him a lesson he would never forget! This was none other than the fox, who was furious with him ever since the day he had slapped him for treading on his precious tail. "Ha ha! I'm free, time to feast" said the bear, he turned around and seen nothing but a short tail in place of where he thought a dozen or so fish would be. HenryA short story with a twist ending always offers the best entertainment, and The Gift of the Magi by O. I sure do. However, he wouldn't have been so happy if only he'd known what was coming to him. On the bank sat the fox, and he was surrounding by a pile of fish! The bear's stomach was rumbling with hunger, and his mouth watered at the sight of so many delicious-looking fishes. You can find out more and change our default settings with Cookie Settings. "With a long and beautiful tail like yours, you'll never go hungry- you can always catch as many fish as you want to eat! Would you like me to show you how to do it?" "Yes, please!" said the bear eagerly. It became very cold and started snowing. A comprehensive list of short stories gives students a wide range of time-tested options. His short story The Old Man at the Bridge focuses on an old man sitting at the side of a country road during the war. "I'll watch from those trees, so that I don't scare away the fish." The bear sat stiffly, thinking about the fish jumping onto his tail. "Why, bear, don't tell me you know the art of fishing with one's tail!" exclaimed the fox in mock surprise. "Fancy, I never knew that! Can I catch fish with my tail, too?" "Sure, why not?" replied the fox, turning away to hide a smile. He then came upon a fox eating a fish, the bear said: " ah, at last, I can eat, a fox and a fish I'm so lucky!" the scared fox said, " wait don't eat me I can teach you how to fish and you can get all the fish you want!". He approached the fox and said, "Hello, brother Fox! Where did you get all those fish?" This was the moment the fox had been waiting for! "Why, I caught them, of course, from that hole!" he said nonchalantly, pointing to a hole in the ice before him. 0 ratings0% found this document useful (0 votes)23 views1 page, active Overall Best Subscriptions Believe it or not, there was a time when the bear had a lovely long, furry tail- quite unlike the short, stumpy one he sports today! But how did he lose it? The narrator recalls emotions from her youth when she felt no self-consciousness about her appearance and body.The Gift of the Magi by O. And that is how the bear lost his beautiful tail. "You don't have any fishing tools, so what did you fish with?" (In reality, of course, the fox had seen him approaching from afar and carefully hidden his fishing implements, making up his mind to play a trick on the unsuspecting bear!) "With my tail, as usual," he answered in a casual tone. Looking behind him, he saw, to his horror that his beautiful black tail had snapped right off! There it lay, as if mocking him- a stiff, frozen lump of fur, stuck in the transparent ice! All that was left on his backside was a small stump- an apology for a tail. Henry delights with its surprising turn of events.The Fall of the House of Usher by Edgar Allan PoeThe Fall of the House of Usher by Edgar Allan Poe is one of the greats in American Gothic literature. The bear would have given anything to be able to get his hands on the fox; if he had caught him that day, he would have killed him! But the fox knew this and was crafty enough to keep out of his way thereafter. So the bear went to walk away but he couldn't move. As he neared the lake, he saw a most alluring spectacle. Wherever he went, he would spread it out like a fan behind him, and people had to walk round it. The man has already traveled 12 kilometers to flee the area, but is too distracted and exhausted to continue.Popular Mechanics by Raymond CarverOne of the classic very short stories at only 500 words, Popular Mechanics by Raymond Carver is a stripped-down, minimalistic masterpiece that lets the readers interpret the scene for themselves. The wife wants to talk it out, while the husband wants to drop it.Pilon by Sandra CisnerosOne of the most touching stories of inspiration is Sandra Cisneros's Pilon. "Don't you know it's the best method for catching fish?" "Really?" asked the bear, his eyes widening in wonder. "Sit down with your back to the hole and drop your tail into the water!" The bear obeyed, wincing at the contract with the icy water. Written by James Thurber, this story details the daydreams of a put-upon, passive man as he drives his wife on her weekly errands.Say Yes by Tobias WolffAs a married couple washes dishes together in Say Yes by Tobias Wolff, the topic of interracial marriage arises and the two discover they have conflicting views on the matter. He could feel a sharp pain in his behind. Everyone was on tenterhooks around him, for, if they stepped on it by accident, he would nearly snap their heads off! The bear's tail was also his main conversation topic. During the time of his hibernation, the bear woke up way too early and began to get super hungry. "Yes, yes, I feel it!" he cried and jumped up. The next moment, there was a popping sound. After a couple of hours, he came back to the lake. Below, we provide summaries of 10 classic stories.The Yellow Wallpaper by Charlotte Perkins GilmanFeminist, sociologist and novelist Charlotte Perkins Gilman wrote The Yellow Wallpaper, providing a first-person perspective of disconnecteefness and insanity, and subtle themes of irony.Lather and Nothing Else by Hernando TellezLather and Nothing Else by Hernando Tellez tells the story of a barber who recognizes an armed man who enters his barbershop for a shave, only to discover that the two are at the opposite sides of a contentious political conflict that has escalated to violence. " Don't worry about if it stings a little it's just the fish biting your tail!" said the fox, then fox ran off to go finish his fish. "With your tail? It was tiring and after a while, he dozed off. The bear forgot to ask how long he should put his tail into the water and thought to himself "well the longer I put my tail in the water then the more fish I will have, then I can go back to sleep for the rest of the winter!" exclaimed the bear. This tale has been told to many First Nations and non-First Nations people for many years passed down from generation to generation. Then they walked towards a frozen lake that was nearby. "Good!" said the fox. He said to himself "Wow! I must have a lot of fish on my tail for I can't even get up it's too heavy" not realizing the water where the hole was actually turned into ice and froze his tail. The fox collected his fish and returned home. So he tried again yet nothing. So, without exception they all told him, "Yes indeed, Bear - yours is the most magnificent tail in the whole world! And it makes you really smart and handsome!" On hearing this, the bear would beam with pride and feel ten feet tall. If you ever hear a bear groaning, it is because he's still thinking of the lovely tail he lost that day! Moral: Do not blindly believe what others say. But how can you fish with your tail?" he asked curiously. "So first thing you have to do is make a hole in the ice and put your tail inside, sit there and wait." said the fox " Okay sounds easy enough," said the bear. Do you remember being told this story? So the bear went back to sleep and that's why the bear has a short tail. The bear then began to go look around for something to eat. The bear swiftly dug out a hole in the ice with his claws. well, fear not for you have come to the right place. Sit absolutely still, and wait until a number of fish have bitten, and then you can pull out your tail with your magnificent catch!" The bear's mouth watered and he scratched himself with pleasure. The bear reluctantly said " okay but don't try anything because I know you're a trickster" "Okay come with me" said the fox. His fur coat was completely covered with snow, and he was snoring away to glory. Without judgment, Carver narrates the tale of a man packing his suitcase to leave home for good when an argument with his wife escalates.A Conversation From the Third Floor by Mohamed El-BisatieA classic among moralistic short stories, A Conversation From the Third Floor by Mohamed El-Bisatie documents a woman who goes to the outside of a prison in an attempt to talk to her jailed husband.The Secret Life of Walter Mitty by James ThurberThe Secret Life of Walter Mitty became one of the most famous short stories when a film starring Ben Stiller was made with the same name. The fox peered into the hole in the ice and said, "There are no more fish left in this! Let's go to another part of the lake where there's more." He led the bear to a shallow part of the lake. Now the bear was really astonished. Poe's attention to detail and his description of the house play an important part in the telling of this tale. He then shouted, "Bear, wake up! There's a fish on your tail! Can you feel it?" Startled, the bear woke up. To this day, bears sport short, stumpy tails. "Now," said the fox, "you'll feel when a fish bites. The barber must decide what to do under the circumstances.The Old Man at the Bridge by Ernest HemingwayWith a canon that delves into the human condition during the Spanish Civil War, Ernest Hemingway is a go-to in most literary circles. Whomsoever he met, he would ask, "Don't you think my tail is the most beautiful tail you've ever seen?" As you can imagine, the animals didn't think much of the foolish bear, who had nothing to talk about except the glory of his tail! However, all of them were frightened of his big claws and didn't want to make him angry. "But how?" asked the bear in bewilderment. Have you ever wondered Why The Bear Has a Short Tail? From then on, the fox had been biding his time, awaiting revenge! One icy cold day, the bear went lumbering down to the lake in the middle of winter; the lake was completely frozen over. So the bear used all his might and pulled himself free.
